**How to make it happen:**
1. Sing to the tune, “This is the way we brush our teeth” and sing about what children will be doing, for example:
This is the way we run in the garden, run in the garden, run in the garden.
This is the way we roll the ball, roll the ball, roll the ball.
This is the way we throw the bean bag, throw the bean bag, throw the bean bag.
We are going to wave the handkerchief, wave the handkerchief, wave the handkerchief.

2. Encourage the toddlers to participate in the learning experiences by imitating the demonstrated actions.
3. Invite the toddlers to suggest things they want to do in the garden or actions they want to do with the ball/bean bag/handkerchief.
4. Enhance the learning experience by changing the song lyrics to describe the new actions suggested by the toddlers, and encourage them to participate in the activity.
