Note: Below are the list of changes made to the factsheet from 2019 onwards

- 1 Number of children enrolled in full-day, half-day and flexi-care programmes
- 2 Fees are based on Singaporean fees **before GST from 2019 onwards** while the previous years' fees are based on average of all fees (regardless of nationalities) inclusive of GST
- 3 The number of centres includes centres that hold only Class B licences as well as centres that hold both Class A & B licences
- 4 The historical data is based on October of the year
