Cikgu Sofia

An illustration of a classroom scene. A female teacher wearing a grey hijab and a yellow long-sleeved shirt is standing on the right, waving her right hand. She is looking towards three children on the left. The children are two girls and one boy, all wearing blue school uniforms with dark blue skirts or shorts and carrying backpacks. They are also waving. In the background, there is a window with blue rain streaks and five colorful flower decorations hanging from the top. The flowers have different patterns: a blue and yellow flower, a yellow flower with a smiley face, a green and yellow flower with a spiral, a pink and white polka-dot flower, and a yellow and orange flower with a grid pattern.

Selamat tinggal,
Cikgu Sofia.

Selamat jalan semua.
Hati-hati, ya.

Lebatnya, hujan.

Ahhh!

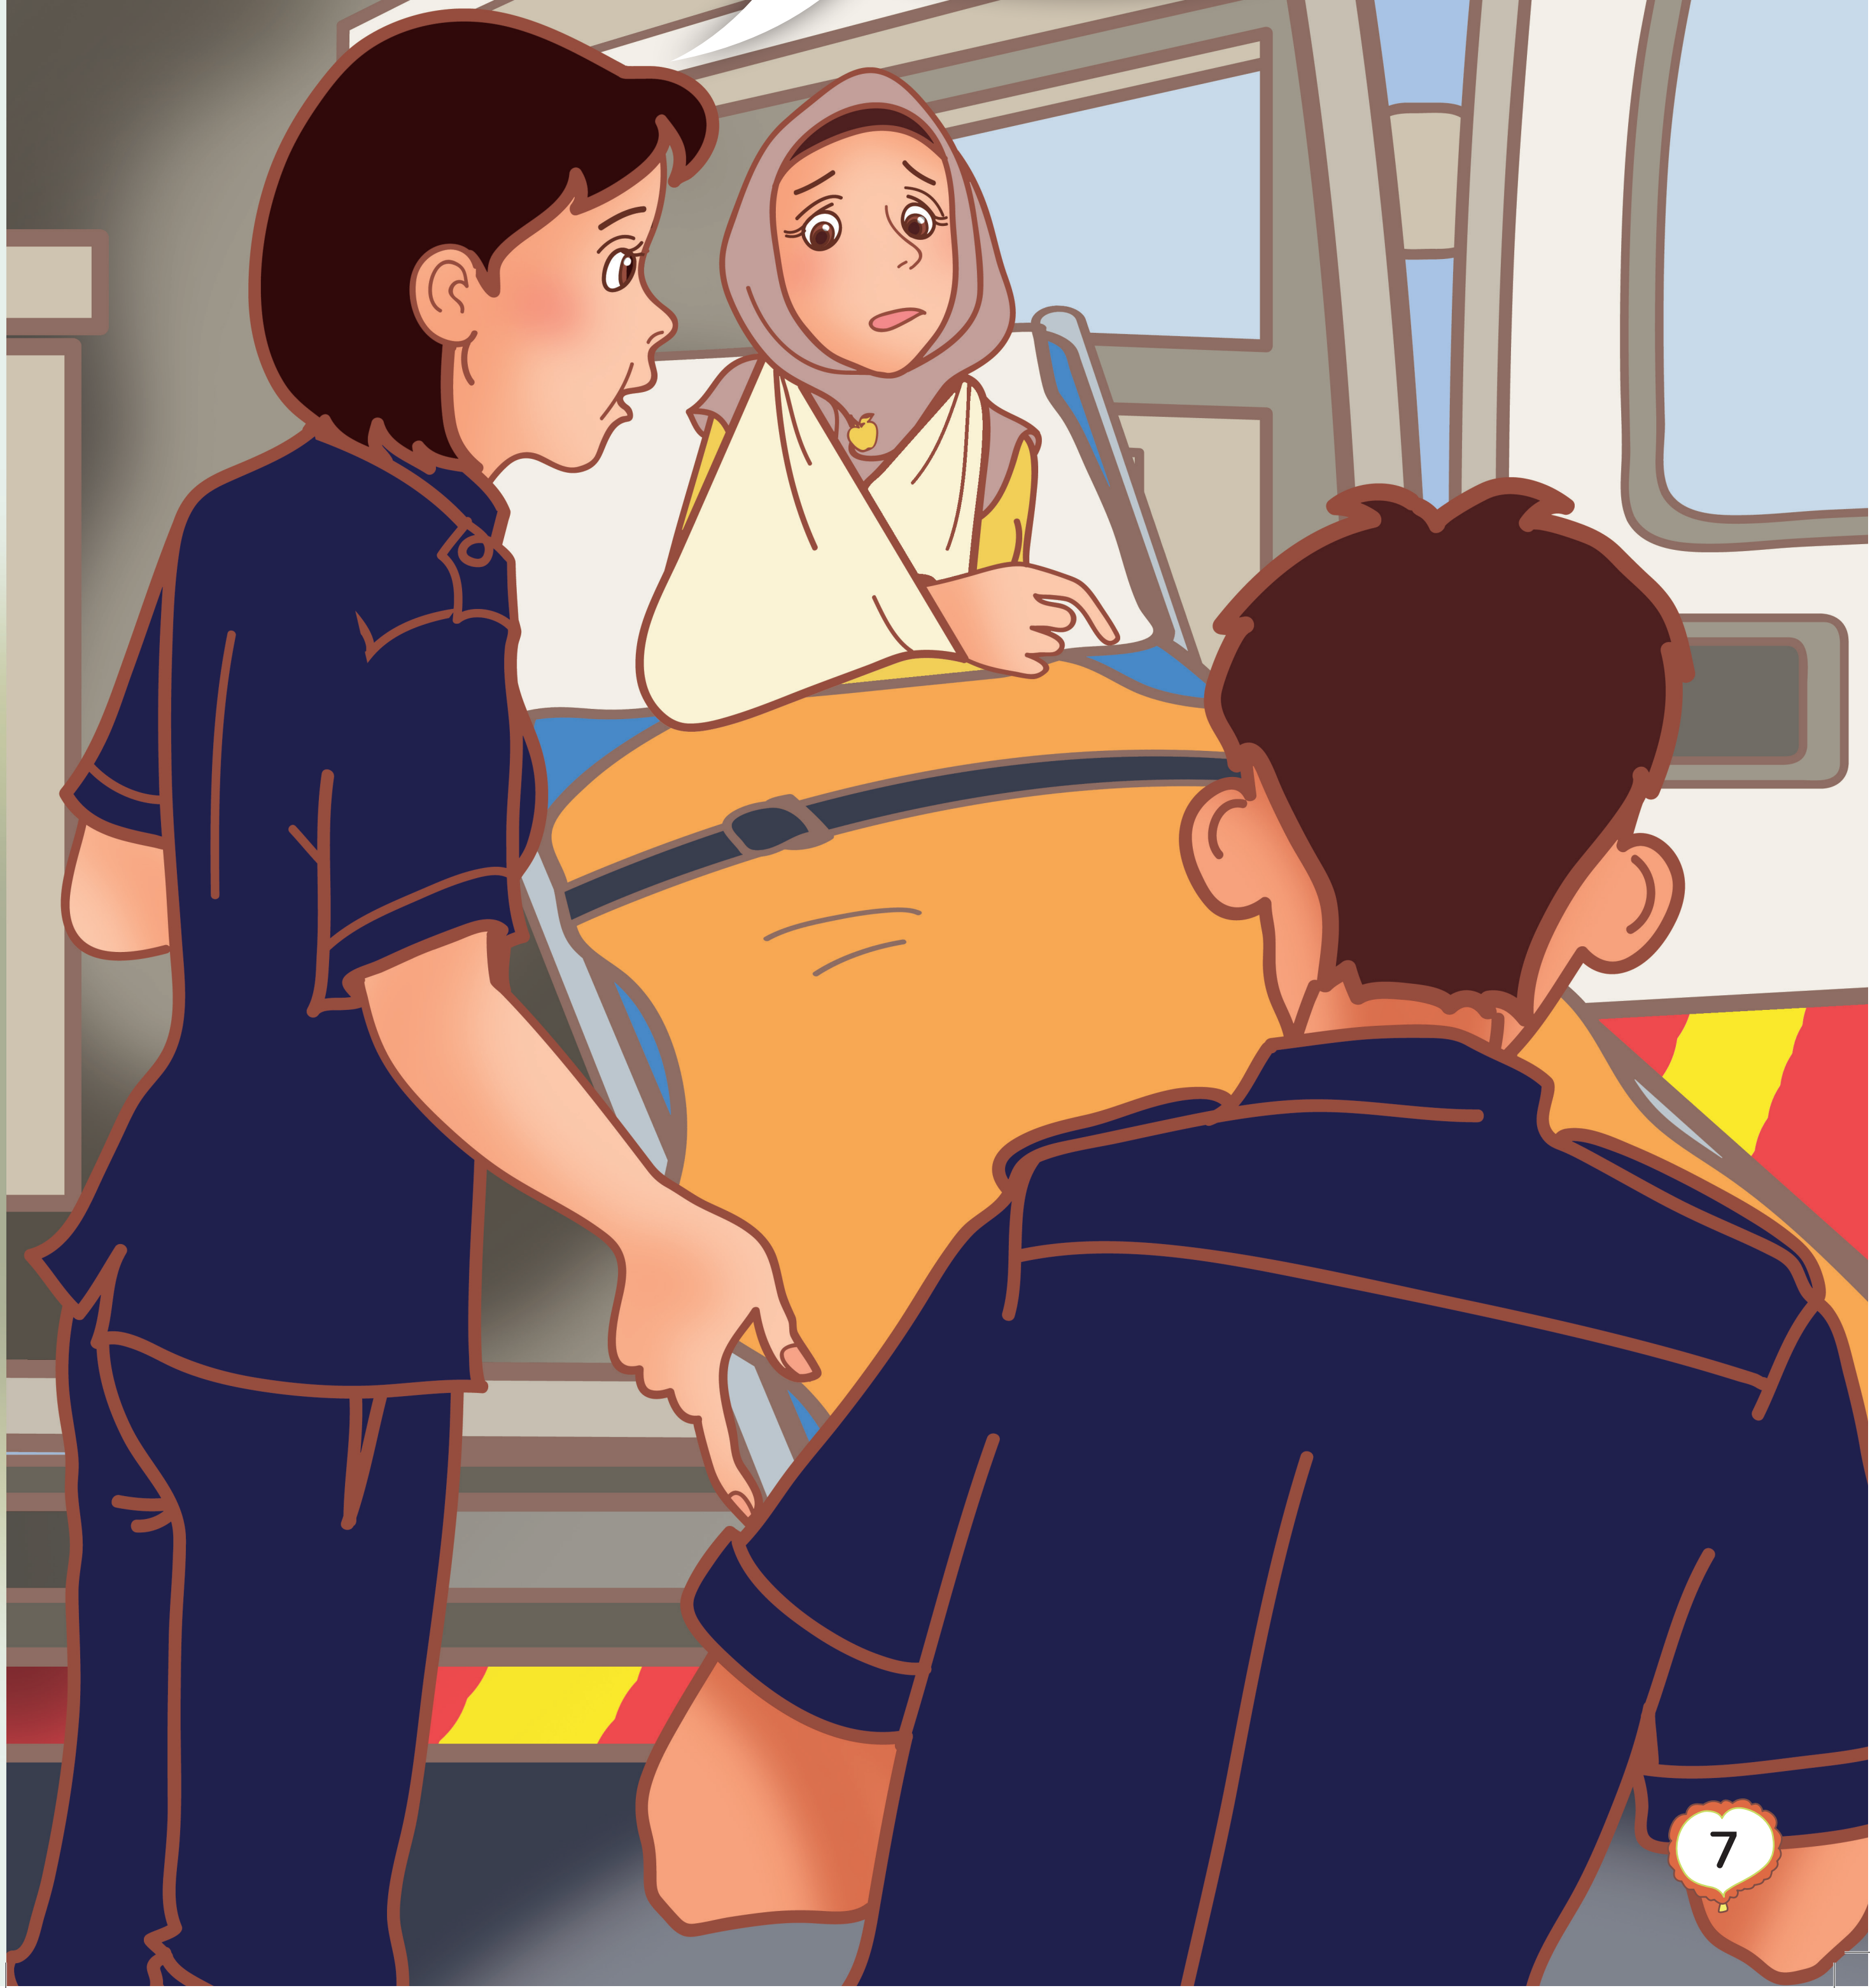

Tangan saya
sakit.

The illustration shows a scene on a light green floor. A man in a blue t-shirt and grey pants is sitting on the left, looking distressed and holding a black smartphone to his ear. In the center, a woman wearing a grey hijab and a yellow long-sleeved shirt is sitting on the floor, looking up with a worried expression. To her right, another woman in an orange hoodie is kneeling, reaching out towards the woman in the hijab. A large pink cloth with white polka dots is spread out in the foreground. Various items are scattered on the floor: a blue pen, a pink notebook, an orange bag, a black smartphone, and a selfie stick. Two speech bubbles contain Indonesian text.

Mari saya bantu.

Kita akan
ke hospital.

Aduh, sakitnya
tangan saya!

An illustration of a woman wearing a light pink hijab and a pink long-sleeved shirt, carrying a brown shoulder bag. She is looking towards a blue door set into an orange wall. A white starburst speech bubble above the door contains the text 'Tok! Tok!'. A white oval speech bubble next to her contains the text 'Masuklah ...'. To the right of the door, two children are peeking out from behind it. The woman is standing on a blue rug.

Tok!
Tok!

Masuklah ...

Kami rindu akan
Cikgu Sofia!

Semoga
cepat
sembuh

Saya juga
begitu.

Ini untuk
Cikgu!

Terima kasih,
semua.
