

APPROACH TO PSOF PROJECTS

WHO...

- are the target children?

WHAT...

- are their development needs?
 - cognitive, aesthetic, moral, physical and social & emotional
- opportunities can you offer?
 - existing project(s) to leverage on?
 - new projects? Customised projects?
- outcomes do you desire?
- resources do you need?

WHY (INTENT)

WHEN...

- to implement the project?

HOW...

- to make the project meaningful / beneficial for the children?
- can I customise project to serve the needs of the children?
- to ensure the development is holistic?
- is the project going to be carried out?
 - targeted? Cohort? A mix of children?
- to evaluate the project?
